Dear Ms. Kryžová,

I have read with the interest the letters of the Human Rights Defense z. s. organisation of Chlumec nad Cidlinou sent to the Ministry of Foreign and European Affairs of the Slovak Republic.

The European Court of Human Rights is the independent international institution. There is no reason for the Ministry of Foreign and European Affairs of the Slovak Republic to intervene in the matters which you have described in your letters.

As to your request of 12 May 2017 for an explanation about the letter which you have addressed to the Permanent Representation of the Slovak Republic to the Council of Europe, I would like to inform you that this correspondence was delivered to the Permanent Representation of the Slovak Republic to the Council of Europe via the Council of Europe. This sometimes happens in Strasbourg, when postmen see on the envelope the words "Conseil de l'Europe" they automatically deliver such a mail to the Council of Europe. Only then the registry of the Council of Europe delivers this mail to the particular correct addressee, which was the case also in this situation.

Yours sincerely
